

Lisa Nelson

Superintendent's Goals 2023-24

### Student Achievement

1. Provide support and resources to aid students in meeting grade level benchmarks, while making progress toward standards.
2. Support professional development for staff to enhance instructional methods and use of technology.
3. Promote educational equity, diversity and inclusion by offering engaging and rewarding programs and curriculum for all students.
4. Provide mentoring, guidance and support for new and existing staff and students through extended school services, peer support, recognition and outreach.
5. Work to expand online programs to increase opportunities for remote or home-based students, by allowing families broad access to diverse course options.
6. Promote the use of differentiated instruction techniques that cater to diverse learning styles, ensuring that all students have access to personalized and effective learning experiences.
7. Work to enhance time for staff to collaborate on key initiatives and agendas.
8. Continue expansion of CTE opportunities and pathways for students.

### Stakeholder Relations

1. Provide a warm, inclusive and secure environment that emphasizes safety and wellness as top priorities.
2. Promote and share the successes of the District and provide a variety of options for stakeholder input on avenues for District improvement.
3. Continue revisions of the District's website to simplify accessing key information and initiatives.
4. Nurture stakeholder relationships through systematic, two-way engagement opportunities.

5. Continue to formally recognize students and staff for their unique skills, talents and contributions.

## Facilities

1. Examine District needs and set priorities with Facilities' Committee for building renovations and or/grounds projects.
2. Begin music/vocational wing remodel.
3. Start renovation of baseball field in conjunction with Pacific County.
4. Continue floor replacement in elementary wing.
